

OUR LADY QUEEN OF PEACE CATHOLIC SCHOOL
RELEASE OF RECORDS AUTHORIZATION

It is the policy of the Diocese of Galveston-Houston that no child can be admitted to one of its Catholic schools until all records have been received from the school which the child attended before applying to the Diocesan school. It is also a policy of the Diocese that these records must be sent directly from the prior school and may not be received from the parent of the child. Before we complete registration for your child, we ask that you send this form to the school concerned immediately in order that we may receive the records in time to complete admission. Thank you for this assistance.
